

Make your own

Pasta necklaces!

What you'll need

- Dried pasta
- Food colouring
- Vinegar
- Ziplock bags
- Greaseproof paper
- String

Method

Add 2 tsp of vinegar and several drops of food colouring into a ziplock bag. Add some pasta and zip up the bag. Shake until the pasta is bright and colourful.

Repeat in new bags with different colours and more pasta. Lay the pasta on a sheet of greaseproof paper to dry.

Once dry cut string to your desired necklace length. Thread pasta onto the string. Get an adult to help you tie the ends of your new necklace.
