

ORDERING CARGO CREW ITEMS EXCLUSIVE FOR OPSM

STEP BY STEP GUIDE

What is the Cargo Crew portal?

The Cargo Crew x OPSM portal is an online store where OPSM Store Managers can place orders for clothing items exclusive for OPSM on behalf of their team members. These items all meet the current dress code policy.

Alternatively, if a team member does not wish to place an order via the portal, team members can directly email us at hello@cargocrew.com.au to place an offline order with the below information.

- Team Member Name / Store Name.
- Billing & Shipping Address.
- Items required, quantity and sizes.

Once you email the above information, one of our client services team members will get back to you with a sales order for the payment.

A note to Store Managers.

If the team members wish to place their orders through the portal you can follow the process outlined on the next page.

Store Managers must remind their team that all orders need to be paid by the individual team member at the time the order is placed.
