Where the Insured receive treatment for an eligible medical condition as an In-patient, PTI will pay in-patient cash benefit shown in the Benefit Schedule per night up to maximum 20 nights per Policy period.

II. EMERGENCY ASSISTANCE AND MEDICAL EVACUATION

(subject to prior written agreement from PTI in any circumstances)

1. Medical Service Provider Referral

The Assistance Company authorized by PTI shall provide to the Insured, upon request, the name, address, telephone number and, if available, office hours of physicians, hospitals, clinics, dentists and dental clinics within the territorial limit of the chosen plan (collectively "Medical Service Providers"). The Assistance Company shall not be responsible for providing medical diagnosis or treatment. Although The Assistance Company shall make such referrals, the final selection of Medical Service Provider shall be the decision of the Insured.

2. Arrangements of appointments with local doctors for treatment

(Applicable only to the travelling out of Vietnam)

The Assistance Company will, upon request, assist the Insured by arranging for appointment with general practitioners or specialized doctors.

3. Arrangement of Hospital Admission

(Applicable only to the travelling out of Vietnam)

If the medical condition of the Insured is of such gravity as to require hospitalization, The Assistance Company will assist the Insured with arrangements hospital admission.

4. Arrangement and Payment of Emergency Medical Evacuation

a. Inside Vietnam:

PTI will pay for the emergency transportation cost by all necessary and reasonable means to move an Insured Person in a serious medical condition to emergency ward of the nearest hospital, where appropriate medical care and facilities are available.

b. Outside Vietnam:

The Assistance Company will arrange for transportation and medical care during transportation by all necessary and reasonable means, communications and all usual ancillary services required to move the Insured when in a Serious Medical Condition as defined hereunder to the nearest hospital where appropriate medical care is available in the Territorial scope for the chosen plan.

PTI shall pay for the medically necessary expense of such transportation and communication and all usual ancillary charges incurred in such services so arranged by it and extended to cover for one other person to travel with the Insured as an escort. In case transportation by airline, PTI shall cover expenses as economy class airline ticket.

The Assistance Company retains the absolute right to decide whether the Insured's medical condition is sufficiently serious to warrant Emergency Medical Evacuation. It further reserves the right to decide the place to which the Insured shall be evacuated and the means or method by which such evacuation will be carried out having regard to all the assessed facts and circumstances of which it is aware at the relevant time.

For IP2, the policy is extended to cover for the emergency medical evacuation cost to Thailand and Singapore and also repatriation cost (but not including any cost of treatment in Thailand or Singapore)

5. Arrangement and Payment of Repatriation following Emergency Medical Evacuation

The Assistance Company will arrange for the return of the Insured in the Territory Scope of chosen Program. The medical expense of subsequent In-Hospital treatment in a place inside or outside the Socialist Republic of Vietnam will also be covered subject to Policy Schedule. PTI shall pay for the expenses necessarily and unavoidably incurred in the treatment process

The Assistance Company reserves the right to decide the means or method by which such repatriation will be carried out having regard to all the assessed facts and circumstances of which The Assistance Company is aware at the relevant time.

6. Arrangement and Payment of Repatriation of Mortal Remains

The Assistance Company will arrange for transporting the Insured's mortal remains from the place of death to the Insured's residence of the Socialist Republic of Vietnam or his/her Home Country in the Territory Scope of chosen Program or arrange for local burial at the place of death as requested by the Insured's family and with PTI's approval. PTI will pay for all expenses reasonably and unavoidably incurred in such transportation or alternatively pay the cost of burial at the place of death

7. Delivery of Essential Medicine

(Applicable only to the travelling out of Vietnam).

The Assistance Company will arrange to deliver to the Insured essential medicine, drugs and medical supplies that are necessary for his/her care and/or treatment but which are not available at his/her location. The delivery of such medicine, drugs and medical supplies will be subject to local laws and regulations related to import and distribution of such medicine. PTI will pay for the costs of such essential medicine, drugs or medical supplies and any delivery costs thereof

8. Guarantee of Medical Expenses Incurred during Hospitalization and Monitoring of Medical Condition during Hospitalization

8.1 Inside Vietnam

If the Insured is treated in the hospitals which already have a direct billing agreement with PTI, all medical expenses entitled to insurance cover will be paid directly to the hospital by PTI.

If the Insured is treated in hospitals which have not a direct billing agreement with PTI, the Insured by themselves should settle any incurred expenses on leaving the hospital

8.2 Outside Vietnam

Upon request, The Assistance Company shall assist the Insured to arrange for hospital admission and with authorization and on behalf of PTI, to provide guarantee of hospitalization expenses incurred during his/her hospitalization. The Assistance Company will also monitor the Insured's medical condition with the hospital's attending physician; subject to any and all obligations in respect of confidentiality and relevant authorization.

CHAPTER III: GENERAL EXCLUSIONS

(Applied to the Policy and all Endorsements)

The following treatment, items, conditions, activities and their related or consequential expenses are excluded from this Policy and PTI shall not be liable for:

- 26.** Consultation and lab test without diagnosis and indication given by the attending physician.

CHAPTER IV: GENERAL CONDITIONS

1. Commencement and Renewal

Insurance shall commence from the date specified on the Certificate of Insurance or Policy Schedule. All premiums will be payable on or before the commencement date (except for other agreement, but not over 30 days from commencement date) stated on the Policy Schedule.

It is hereby agreed and understood that, during the period of premium warranty provided under this policy, if there is any claim or request for direct billing service, whereas the premium has not been fully paid to the Insurer/registered Broker, the Insurer will not settle the claim amount until the Insured has made the payment in full of outstanding premium to the Insurer/registered Broker.

The Policy will be renewed on expiry date subject to the Policy's terms/conditions applied at the time of renewal and any special condition which the Insurer applies particularly to the renewal Policy of the Insured.

2. Cancellation

2.1 Insurance Policy will be ceased in the first due date after the 70th birthday of the Insured. However, for renewal Policy where the insured is continuously covered from the age of 68, the Policy will be ceased at the first due date after the 72nd birthday of the Insured.

2.2 PTI shall be entitled to cancel the insurance policy at any time without claim settlement or refund of premium if the Insured or anyone acting on behalf of the Insured has at any time misled PTI by misstatement, false declaration, false claim, or any fraudulent means or devices to obtain benefits under this Policy.

2.3 For Group Policy from 10 insured employees or more and paid by company: if the Insured no longer works for the Company/organization which is a Policyholder and a termination request is made by its representative, PTI will refund premium on proportional basis between number of the remaining effective days and whole period of the Policy whether during the insurance period there is any claim or not.

For Group Policy less than 10 insured employees, PTI will only refund premium (on proportional basis between number of the remaining effective days and whole period of the Policy) if during the insurance period there is not any claim.

2.4 For Individual or Family Policy: in case of legitimate reason, the Insured may request PTI to cancel the Policy provided that no claims have been made during Policy period. Refunded premium shall be referred to a Short Period Premium tariff.

3. Addition of the Insured

For Group Policy: PTI will provide cover to the eligible Insured under the same group Policy upon the request of the Policyholder and his/her additional premium payment will be calculated on proportional basis between number of effective days and the whole period of the Policy. Addition of eligibility includes:

- New employee
- Dependent of new employee
- New Spouse
- New-born child

4. The mistake in age declaration

If the declaration of age is not correct with the Insured's actual age:

4.1 Shortage of paid premium to PTI in comparison with the premium payable for the actual age, insured benefit will be compensated on proportional basis between paid premium as stated in the Policy Schedule and correct premium and the Insured has to pay in full to PTI the difference of premium immediately.

4.2 Overpayment to PTI and any extra premium which the Insured paid to PTI because of the mistake in age declaration shall be refunded without interest rate.

5. Extension of the Insurance Period

If the Insured has to be hospitalized due to the medical conditions covered by this Policy before the expiry date of Policy, upon request of the Insured, the Policy may be extended until the date when Insured does not have to be hospitalized for such condition treatment (maximum up to 30 days) or when the Benefit limit is exhausted, whichever is the earlier.

PTI shall not accept the change of policy cope of cover during the period of insurance.

6. Examination

PTI shall have the right to examine any Insured through his medical representative whenever and as often as may be reasonably required within the duration of any claim. In addition, PTI shall have the right to request an autopsy in the case of death, where this is not forbidden by law or religious beliefs.

7. Alterations

This Policy may at any time be amended and changed subject to written agreement between PTI and the Insured. Any amendment to this Policy shall be binding on both parties since the effective date of the amendment. However, no alteration on the policy scope of cover shall be accepted by PTI during period of insurance.

No amendment in this Policy shall be valid unless it is approved and endorsed hereon by an authorized representative of PTI.

8. Short Period Premium

The Short Period Premium is:

For period not exceeding 1 week:	1/8 of annual premium
For period not exceeding 1 month:	1/4 of annual premium
For period not exceeding 2 months:	3/8 of annual premium
For period not exceeding 3 months:	1/2 of annual premium
For period not exceeding 4 months:	5/8 of annual premium
For period not exceeding 6 months:	3/4 of annual premium
For period not exceeding 8 months:	7/8 of annual premium
For period exceeding 8 months:	100% full annual premium

9. Clerical Error

A clerical error by the Insurer shall not invalidate insurance otherwise validly in force, nor continue insurance otherwise not validly in force.

10. Notice of Trust or Assignment

PTI shall not be bound to accept or be affected by any notice of any trust, charge, lien, assignment or other dealing with or related to this Policy.

11. Arbitration

Any difference in respect of medical opinion in connection with the treatment of an accident or illness shall be settled between two (02) medical experts appointed in writing by the parties to the dispute. Any difference of opinion between the two medical experts shall be referred to an (01) umpire who shall have been appointed in writing by the two medical experts at the outset. Should the two medical experts fail to agree despite the mediation of the umpire, then the decision of the umpire shall be final and binding.

12. Legal Proceedings

No action in law or in equity shall be brought to recover under the Policy prior to the expiration of sixty (60) days after proof of claim has been furnished or after the expiration of thirty (30) days from which the Insurer made the decision on the settlement of the claim. Nor shall any such action be brought at all unless commenced within two years from the date of such claim.

The parties herein agree that the Law of Socialist Republic of Vietnam shall govern and control in the event of any conflict or dispute between the parties with regard to the Policy.

13. Currency Exchange

The Parties agree that, according to this provision, premium and claim settlement basing on the regulations of the Policy can be paid in different currency with defined currency in the Policy. The selling exchange rate of Vietnam Foreign Trade Bank will be applied at time of settling premium or handling claim.

In case of premium adjustment, the exchange rate is also applied as above. This regulation of currency exchange must be in compliance with the Socialist Republic of Vietnam Law.

CHAPTER V: CLAIM PROCEDURE

I. GENERAL PRINCIPLE

1. Claim procedures (applied for the basic cover and all optional cover)

For all claims, the Insured or Beneficiary must send the following original documents in Vietnamese or English to PTI within one (01) year from the happening date of the insured event or sixty (60) days from the date of hospital discharge, treatment finish or death.

In case the original documents are not 1 in 2 above languages, please add one more set of the translated document in English or Vietnamese:

- a. Claim Form (according to PTI form)
- b. Report of accident with confirmation of the workplace manager or the local authority or the police at the place of accident (in case there is police involvement and/or the Insured sustains 31% disability and above and /or any third party involvement).

c. Documents related to medical treatment and expenses: medical prescriptions, diagnosis note, hospital discharge certificate, treatment record, test results, surgical certificate (in case of surgical operation) and other related documents

Payment documents such as invoice, bills or receipts should be compliance with the regulation of the Ministry of Finance.

d. Death Certificate and the legal confirmation of the beneficiary or beneficiaries (in case Insured's death).

e. If the physician needs to refer the Insured to a Specialist, referral letter by the Physician shall be required.

Within 15 working days from the date of receiving full original and valid documents, PTI shall have responsibility in keeping the Insured, his beneficiary or legal representative informed about the claim settlement

2. General Claims Information (compensation)

All documents and materials, which are required by PTI to settle a claim, shall be provided freely to PTI, prior to any claim being made.

In cases missing medical information, it will be the Insured's responsibility to submit this to PTI for claim processing and PTI will not bear the cost incurred to obtain the missing information

3. Other Insurance/Third Party Recovery

The Policy will not provide the Insured benefits other than on a proportional basis if the Insured has any other in force Insurance that entitles him/her to the Medical Expenses benefits from any other source in respect of the same Bodily Injury, Sickness, Disease and/or Death.

PTI must be informed without delay of circumstances where a claim against a Third Party can be made. The beneficiary shall at the request and at the expenses of PTI, exercise any rights and remedies for the purpose of enforcing all reasonable and necessary action of obtaining indemnity from other third party whom PTI is entitled or shall become entitled under the subrogation agreement between the Insured and PTI.

II. EMERGENCY CASES

1. Request for Assistance/ Emergency Medical Evacuation

In case of emergency, the Insured or his/her representatives as soon as practicable shall call, one of the following SOS's 24 hours a day alarm centers (Emergency Assistance Company), nearest to the place of occurrence:

Alarm Center	Address	Telephone No.	Fax No
Hanoi	51 Xuan Dieu str, Tay Ho, Hanoi	(84) (0) 8 3 827 5327	(84) 8 3829 8551
Ho Chi Minh City	167A Nam Ky Khoi Nghia, Dis 3, Ho Chi Minh City	(84) (0) 8 3 827 5327	(84) 8 3829 8551

Before ISOS can undertake any action, the Insured needs to furnish the followings:

- Name, the Policy number and expiry date of the Policy.
- Place and telephone number where he/she can be reached.
- Brief description of the Insured's problem encountered and nature of help required
- Name, address and phone number of the hospital where Insured has been taken to.
- Name, address and phone number of the treating Physician and the family doctor (if necessary).

Medical Team of ISOS have free access to the Insured in order to ascertain his/her condition. If the obligation is not fulfilled and except justified opposition, the Insured will no longer be entitled to medical assistance, except reasonable reasons to prove that the Insured can not fulfill that obligation.

2. Life Threatening Situation

In a life-threatening situation, the Insured or his/her representative should always try to arrange for emergency transfer to a hospital near the place of occurrence through the most appropriate means, and notify ISOS as soon as practicable.

3. Hospitalization prior to notice to the emergency Assistance Company

In any case of illness or bodily injury requiring hospitalization, the Insured or any person acting on his/her behalf must inform ISOS within 24 hours from the time of hospital admission. Failure to do so may entitle ISOS to invoice the Insured for the supplementary cost that has arisen out of the delay.

III. ORDINARY TREATMENT CASES

1. Direct Billing

In case the medical provider where the Insured is given treatment and medical examination, belongs to the Direct Billing Network of the Policy, the Insured needs to take the following steps:

- Present Elite Care Card, Identity card or Passport, birth certificate (if the Insured is a child)
- Check and sign on the Proposal of Guarantee which is provided by the medical provider after the treatment to confirm that Insured has the Treatment
- Settle any charges for the treatment in a Hospital or a Medical Establishment which is not covered by this Policy or exceeds the Insured limit.

2. Pay first and Claim back (Reimbursement)

In case the Insured seeks for treatment and medical consultation at a legally licensed medical establishment which patient has not asked for guarantee hospital expenses or not included in the Direct Billing Network of this Policy, the Insured will have to pay for all medical expenses first and then send the full claim documents to PTI or Broker for a reimbursement of the eligible expenses.

CHAPTER VI: OPTIONAL BENEFIT

EXTENSION CLAUSES

1. Extension clause about covering for cancer

It is hereby agreed and understood that based on Insured's declaration the Policy extends to cover for the Insured person who suffered from cancer subject to results of PTI's underwriting and a premium loading quoted by PTI.

2. Extension clause about covering for poisoning

It is hereby agreed and understood that the insured person who suffers from poisoning event (including food, drink poisoning, or toxic gas, substance inhalation) shall be considered as an "accident" as defined in this policy wording and subject to terms, conditions and exclusions of this policy.

PTI's maximum overall compensation limit under this clause (accumulation loss) does not exceed VND 2,100,000,000 per occurrence and the maximum limit per risk does not exceed the sum insured either. In case of accumulation loss, PTI will reimburse for each insured person an amount basing on the weighted average method of the sum insured of the personal accident insurance (unless otherwise agreed between PTI and the Insured).

3. Strike, Riot and Civil Commotion Clause

It is hereby agreed and understood that notwithstanding any contrary written in the Policy, this Policy shall extend to cover Death, Disability or Medical Expenses as a result of Strike, Riot and Civil Commotion, which for the purpose of this Endorsement shall mean Injury directly caused by:

- The act of any person taking part together with others in any disturbance of the public peace (whether in connection with a strike or lock-out or not);
- The action of any lawfully constituted authority in suppressing or attempting to suppress any such disturbance or in minimizing the consequences of any such disturbance;
- The willful act of any striker or locked-out worker done in furtherance of a strike or in resistance to a lock-out;
- The action of any lawfully constituted authority in preventing or attempting to prevent any such act or in minimizing the consequences of any such act.

4. Hijacking and Pirate Clause

It is hereby agreed and understood that this Policy is extended to cover Death, Disability or Medical Expenses incurred due to result of unlawful seizure or wrongful exercise or control of any passenger carrying on aircraft or vessel, on which the Insured Person is on board as a fare paying passenger, provided that it is not a result of the Insured Person's participation in or provocation of any such act.
