## DECEMBER 27 – 31, 2020

# PAT QUINN CLASSIC

There are few leaders in hockey as respected as the legendary Pat Quinn. He is internationally recognized as one of the sport's greatest coaches and ambassadors. He motivated players of all calibres to work hard on the ice and live with passion and integrity off the ice.

This tournament recognizes Pat Quinn's love of hockey and his unwavering commitment to give back to the community, with tournament proceeds going to the Pat Quinn Scholarship Fund.

The 2019 tournament was a great success with 50 teams travelling from across North America to compete. In four years, this tournament has raised \$55,000 for the Pat Quinn Scholarship Fund. The Vancouver Canucks Alumni Association awarded \$1,000 to three very worthy tournament participants. This is an annual initiative and three participants in the 2020 tournament will receive \$1,000 scholarships for their future academic pursuits.

This tournament epitomizes Pat's commitment to athletic and academic achievements.

Hope you can join us in 2020.  
Thank you.
