

SHELF EDGE Series

EVERY SHELF. SMARTER. SHARPER.

Retail-Ready. Revenue-Driven.

The Shelf Edge Series turns overlooked retail real estate into high-impact, high-clarity digital real estate. Engineered for precision and built for performance, these ultra-slim displays bring targeted promotions, pricing, and real-time updates directly to the point of decision—boosting engagement and driving spend.

Ultra-Fine Pitch. Ultra-High Impact.

With pixel pitches from P0.9 to P2.0, Shelf Edge brings broadcast-quality clarity to the retail floor. Perfect for luxury environments or premium brand zones, every display delivers razor-sharp visuals that elevate the customer experience and drive conversion.

Version 1.0

 LEDstudio

Seamless Installation. 24/7 Reliability.

Lightweight and front-serviceable, these displays are engineered for fast deployment and round-the-clock operation. Whether installed individually or synchronised across bays, Shelf Edge adapts to fit your layout - and your messaging.

Designed for Retail. Powered by Performance.

Built for flexibility and made to last, the Shelf Edge Series is ideal for brands looking to stand out, influence shopper decisions, and maximise high-value shelf space. Because when every pixel counts, we make sure every one tells your story.
